NUTSHELL

If one advances confidently in  
the direction of his dreams,

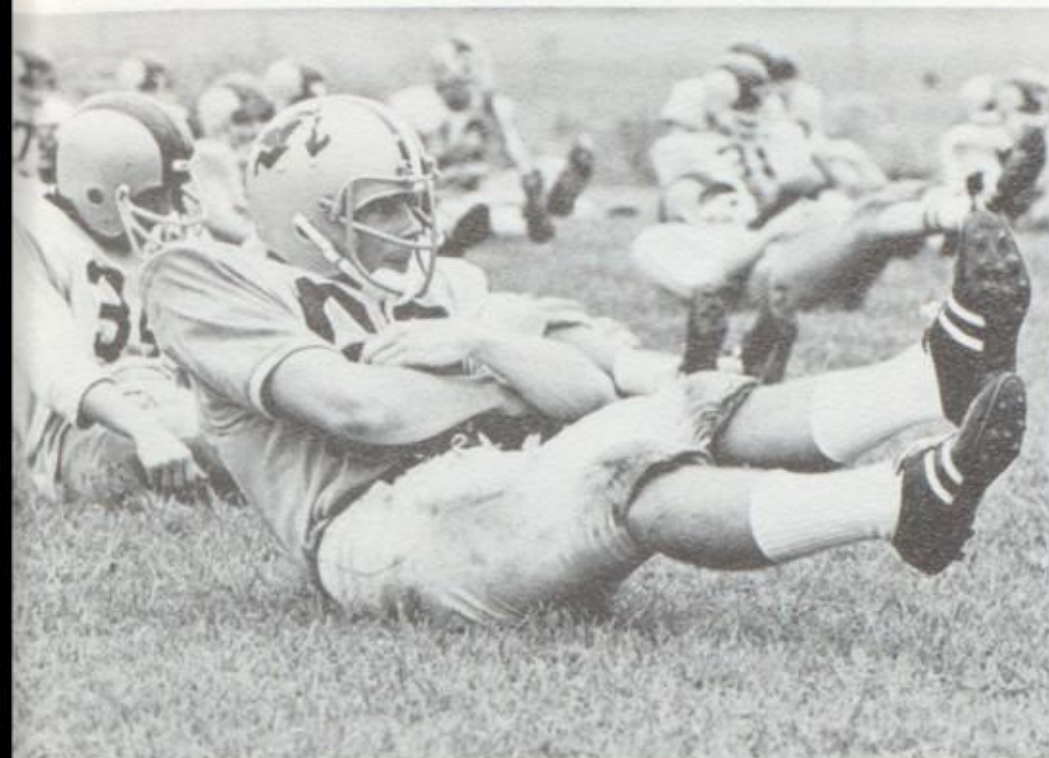

And endeavors to live the  
life which he has imagined,

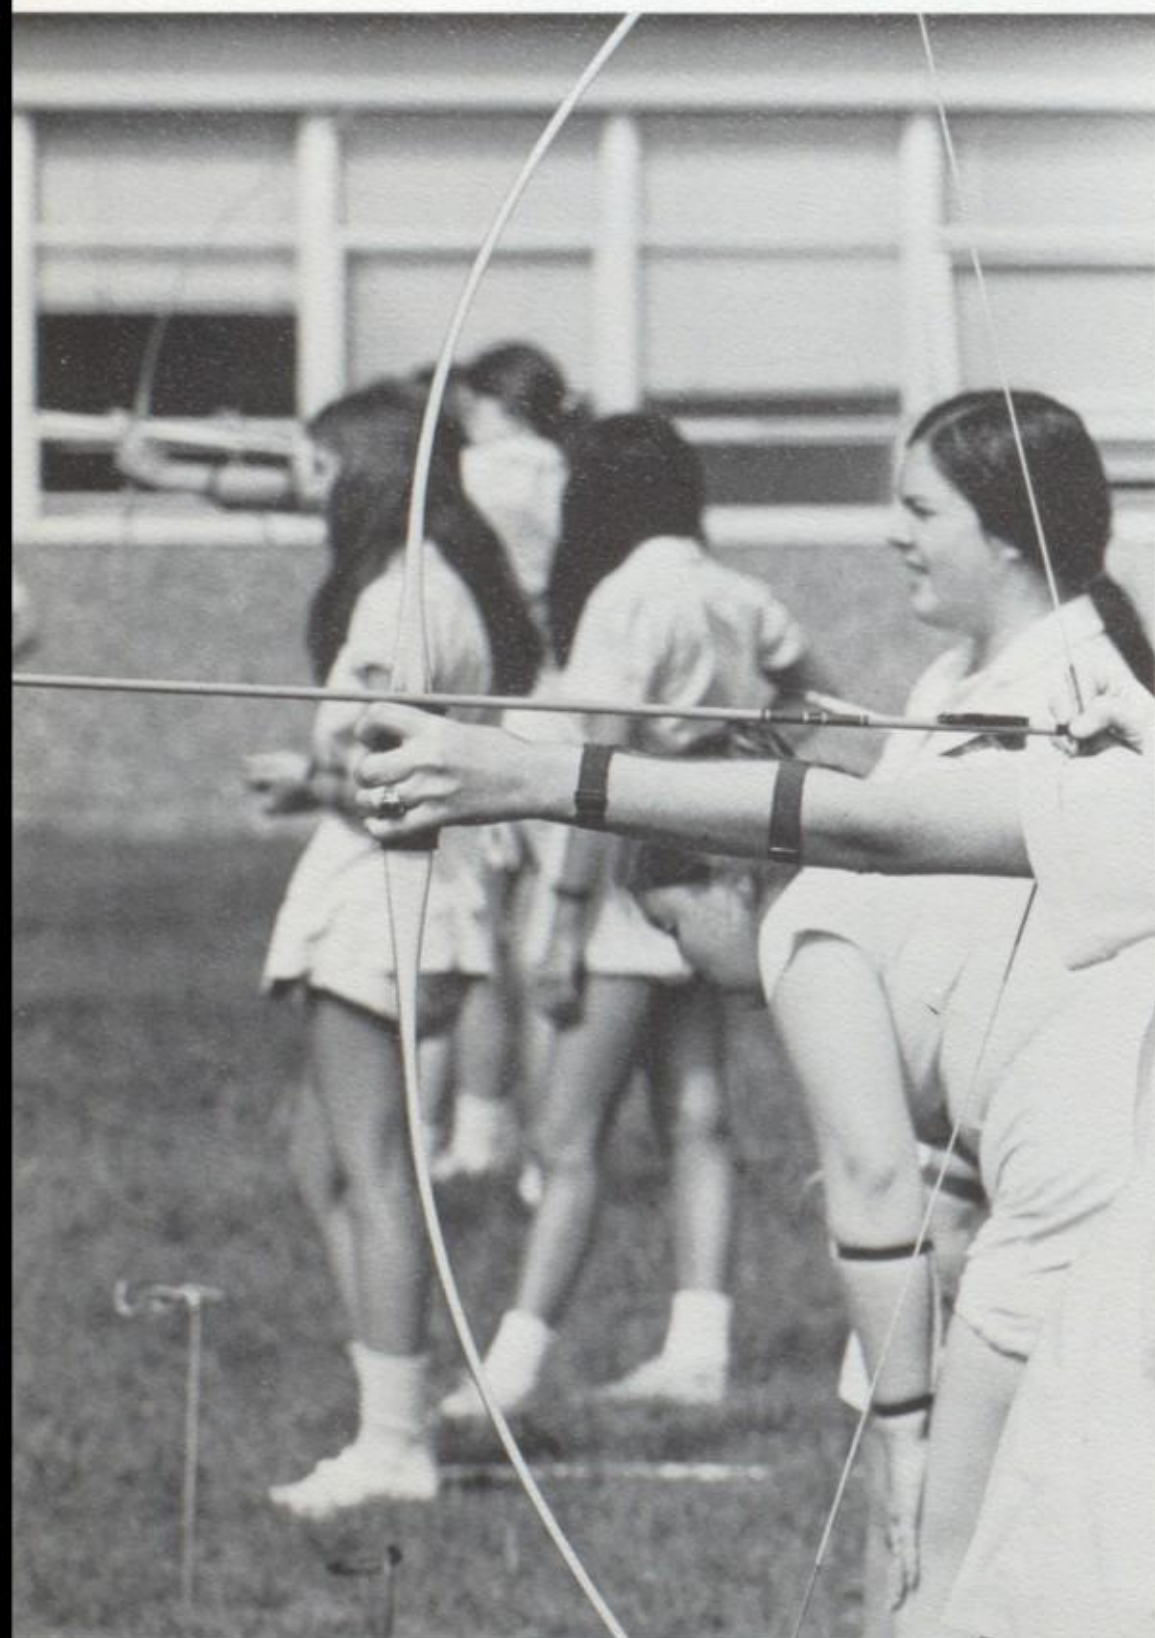

He will meet with success  
unexpected in common hours.

Henry David Thoreau  
From Walden

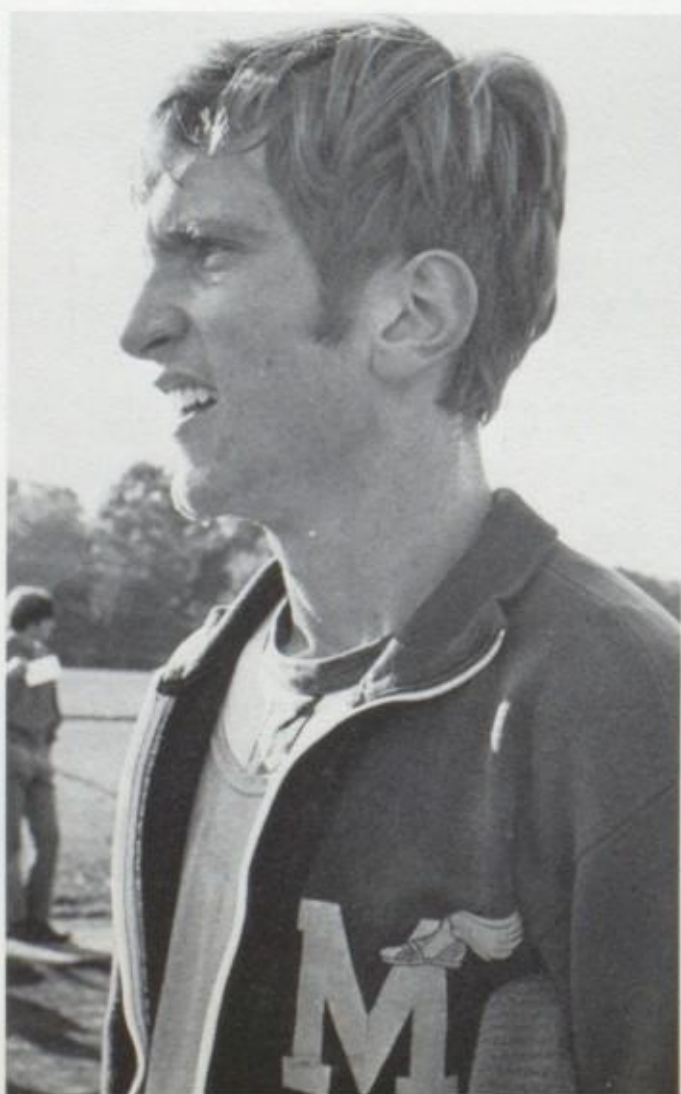

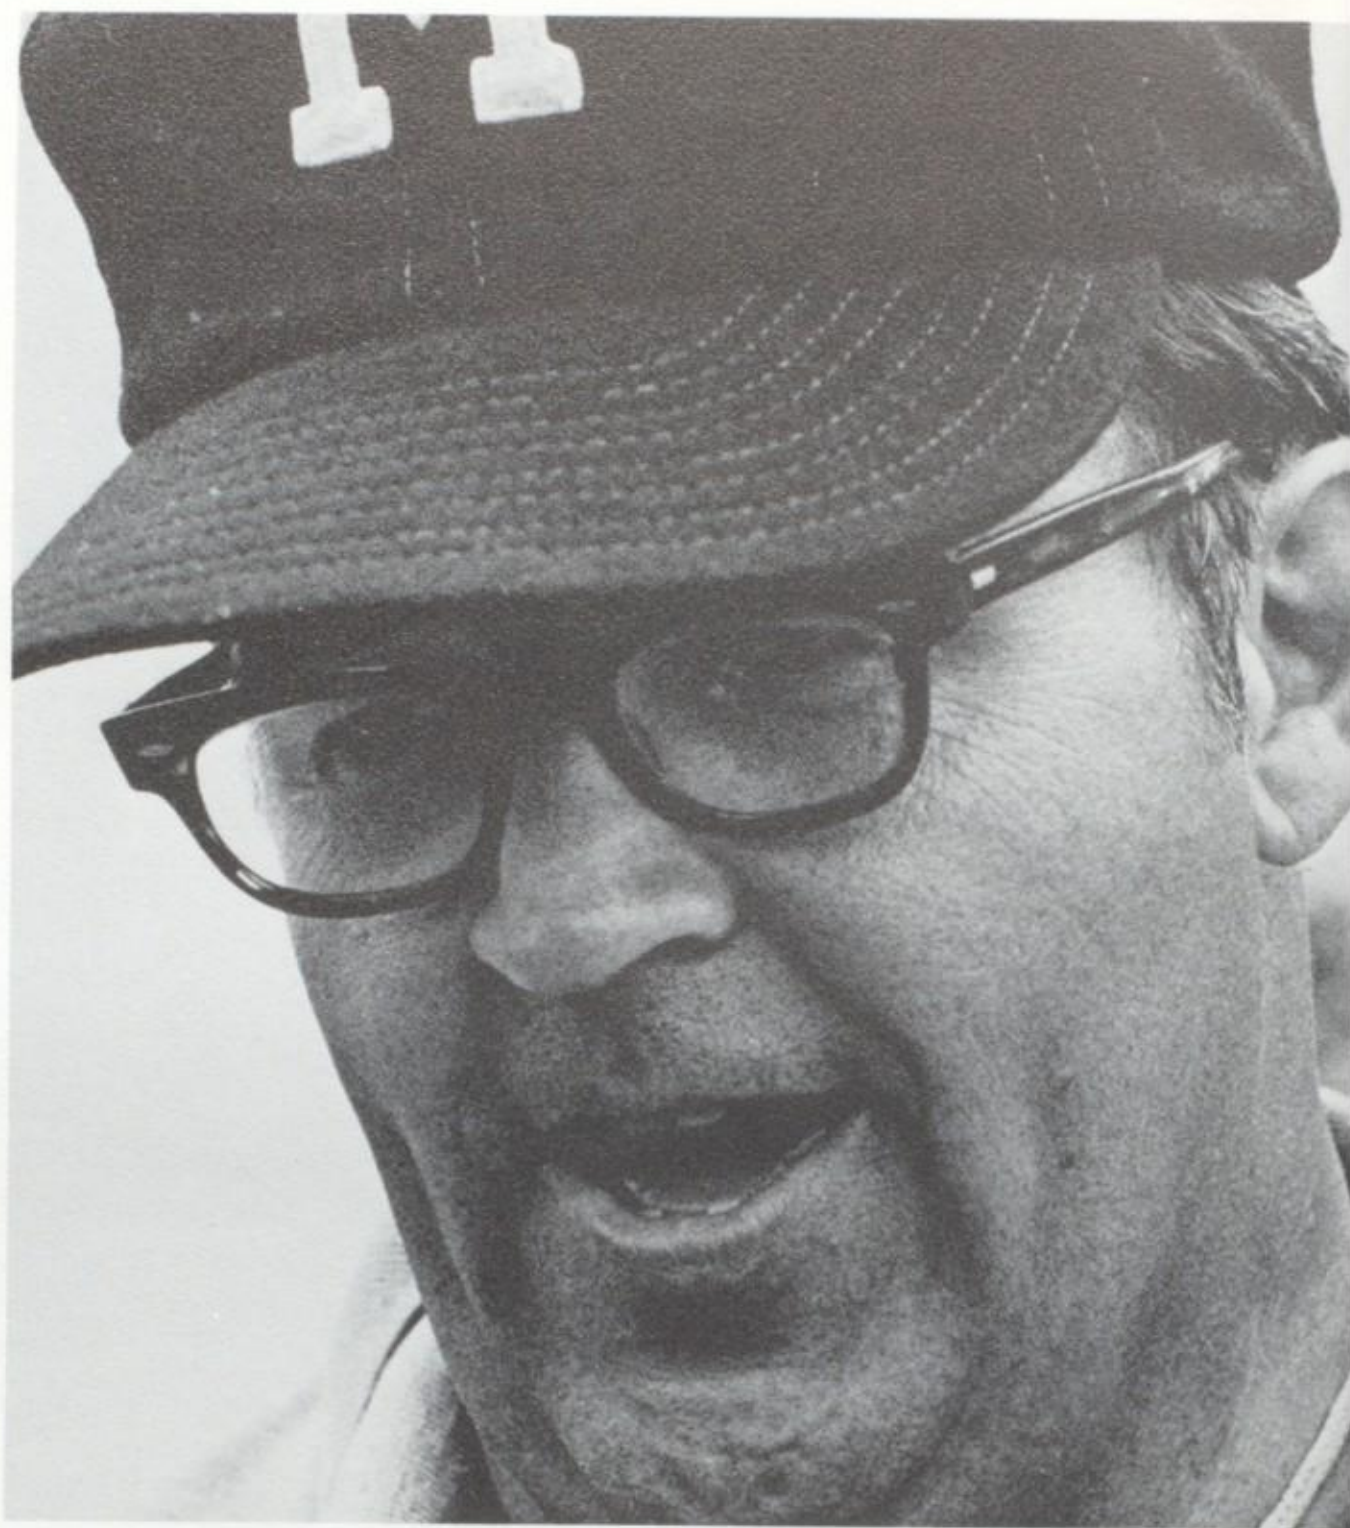

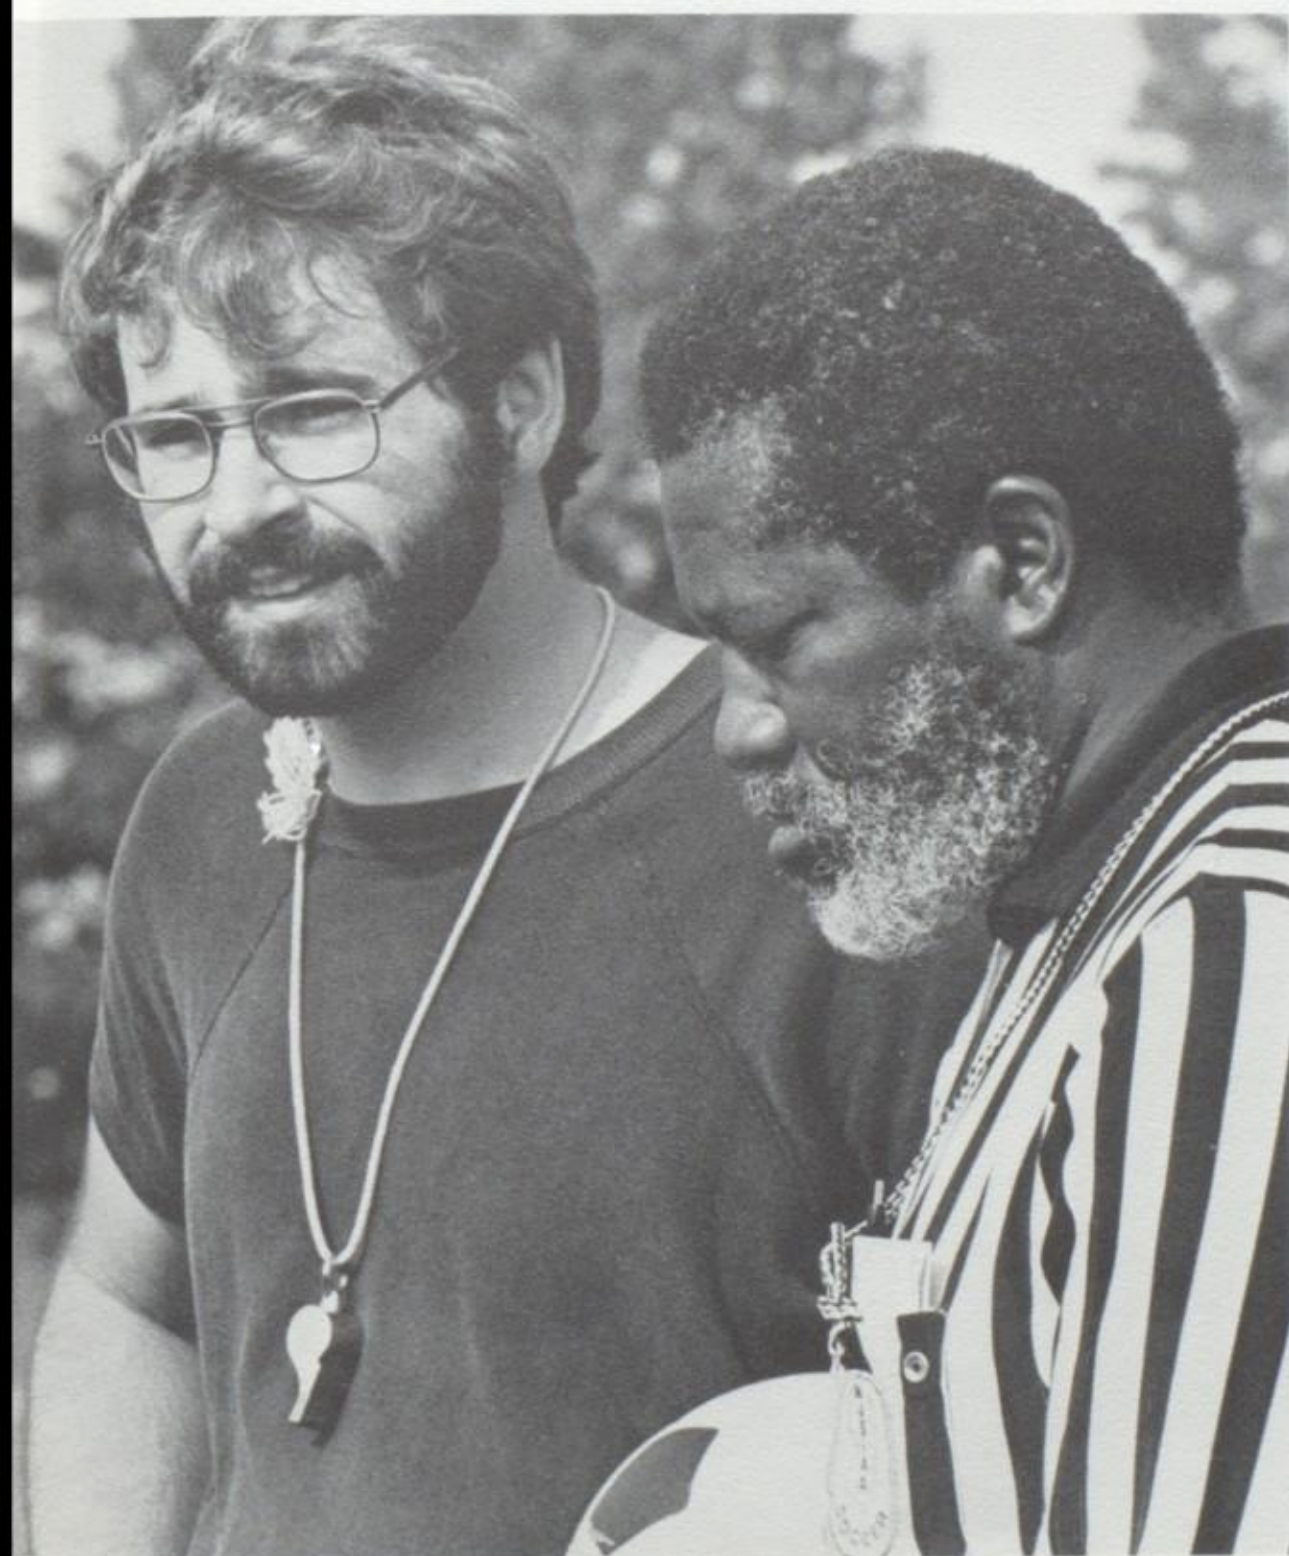

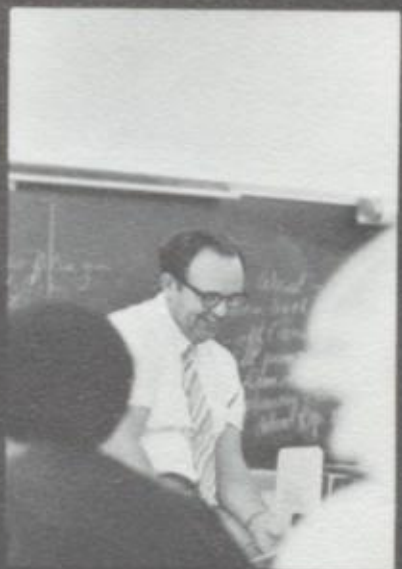

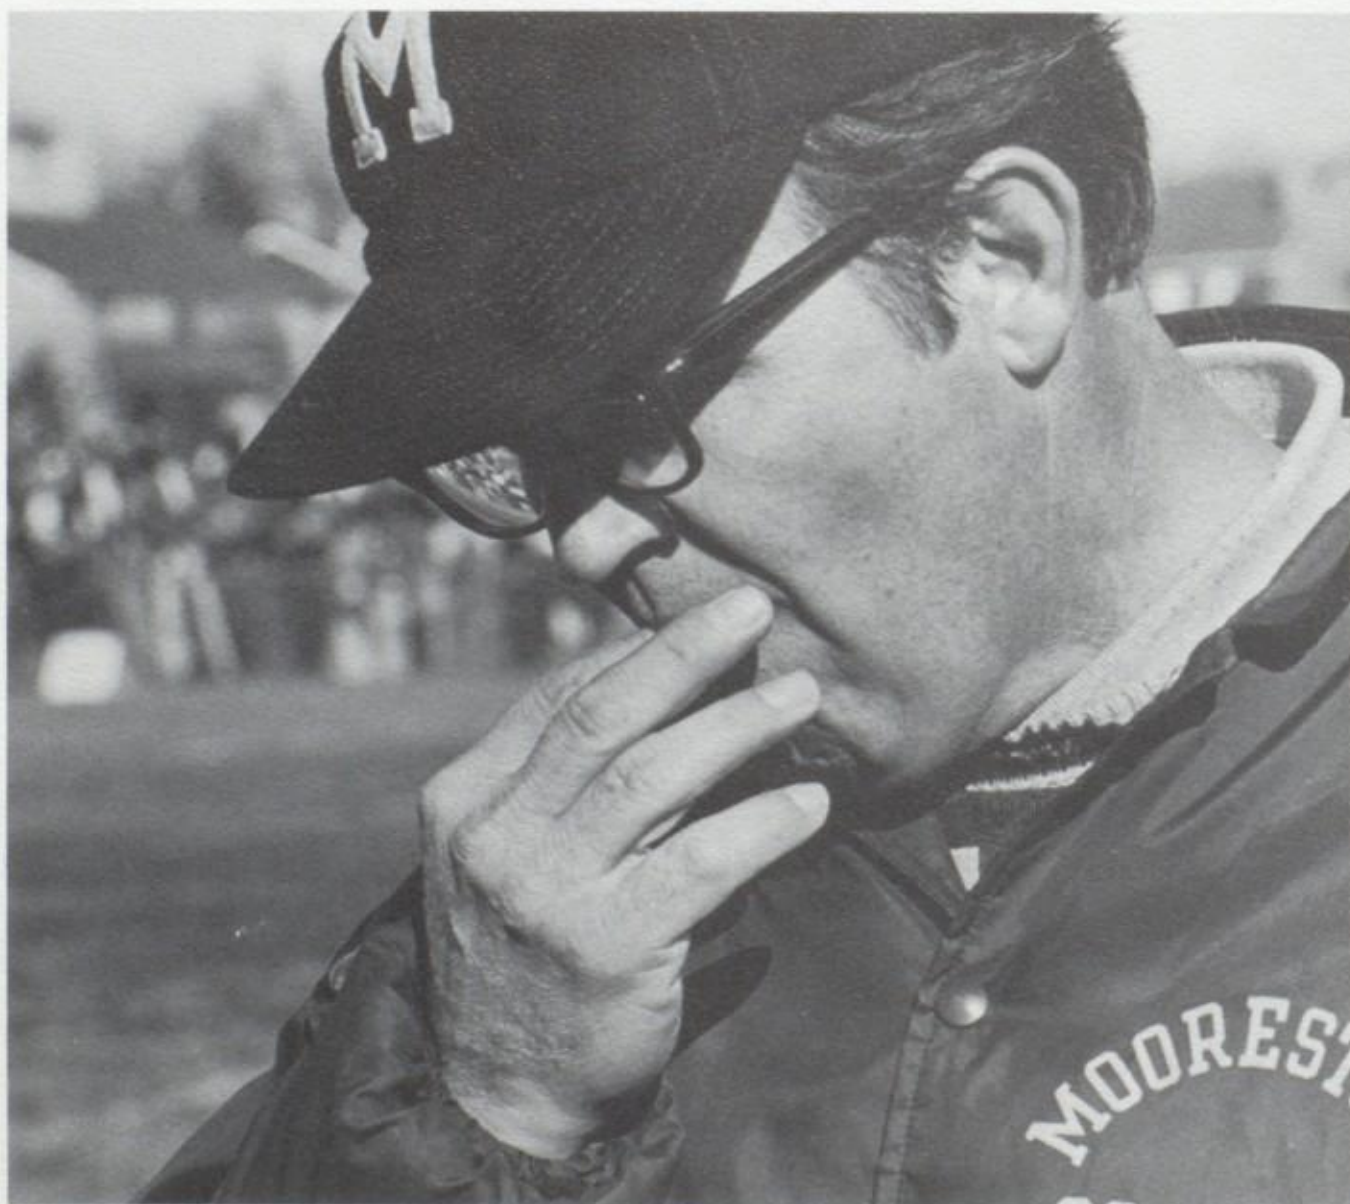

Things must be quieting down here at the high school. Good solid teaching is being appreciated more and more, flamboyant lecturing less. The best teacher is one who teaches everyone, from the head of the class to the foot.

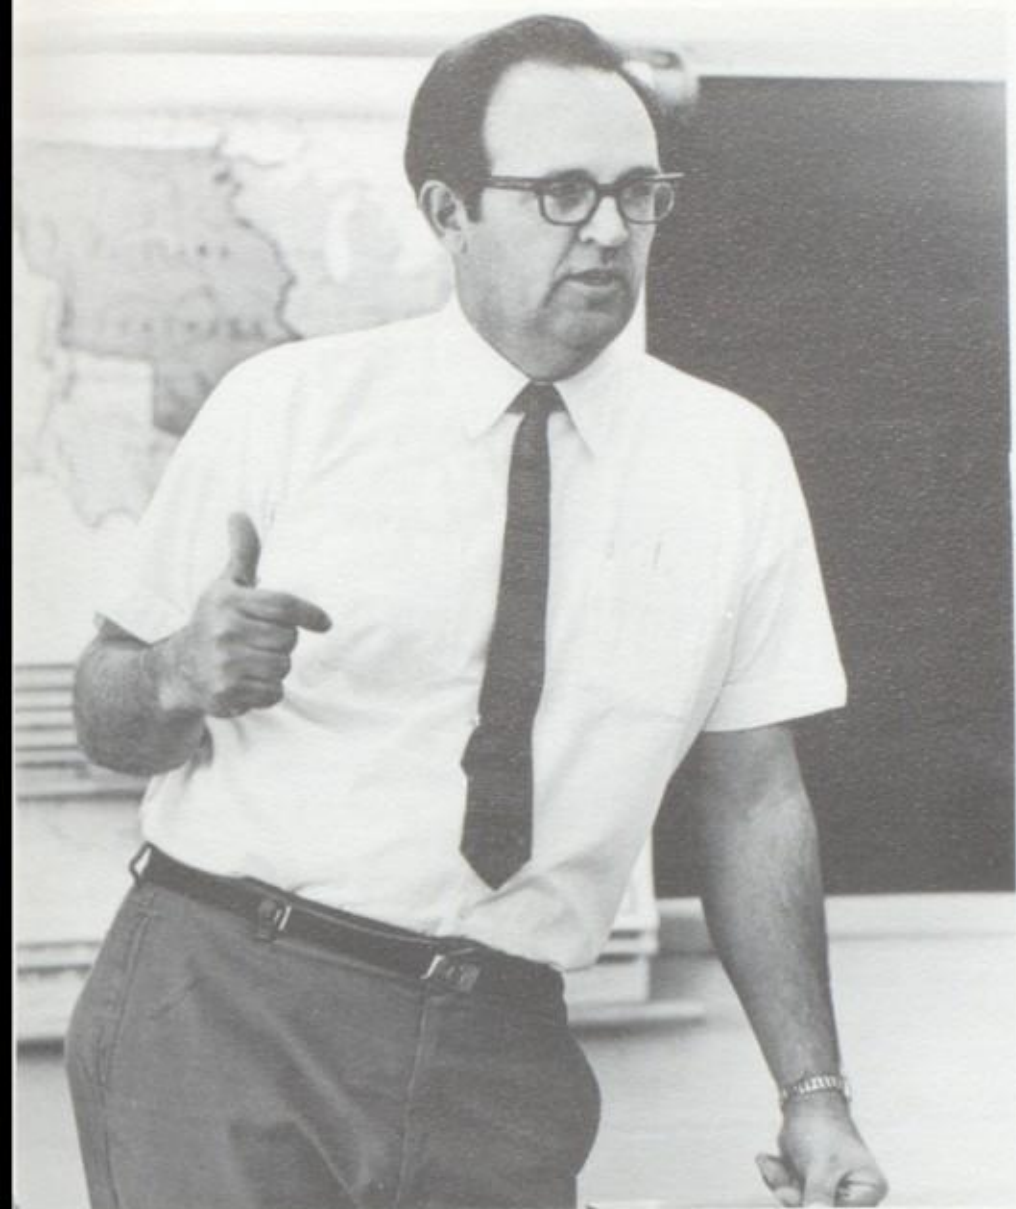

We wish to dedicate this yearbook to Mr. Richard Loring. Not because we hold him in reverent awe, nor as a sacrificial joke. It's rough getting through this school. Yet some teachers are able to make it enjoyable, if not easy.

Mr. Loring is the best of them. For those of us who still remember the Tilden-Hayes election of 1876, he's been a great teacher. As a coach, he's earned both friendship and respect.

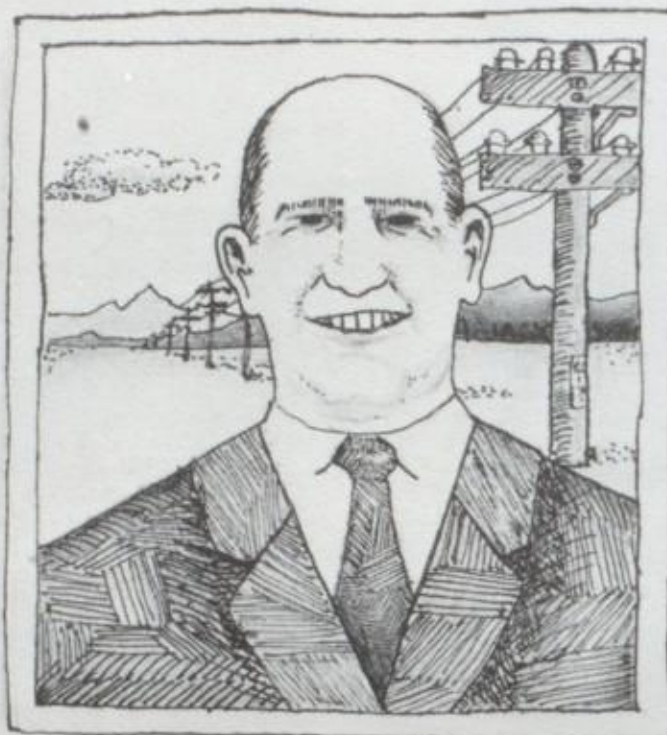

Most importantly, he's a "helluva" nice guy.

# FOOTBALL

The 1972 football season left Moorestown pleasantly surprised as the South Jersey Group III champions. The team's record of 6-2-1 did not quite indicate the superiority of this young team. The most memorable action came during the Thanksgiving-Homecoming game where Morrestown's "crunch-bunch" defense and dominating offense successfully stopped undefeated (8-0) Rancocas Valley at the less-than-a-yard line. This was the upset of the season and Morrestown's first defeat of the Devils in four years.

Soccer, it would seem, has finally become a popular sport at Moorestown High. This year's Varsity squad enjoyed being one of only six teams in the state to remain undefeated (until the final game with Holy Cross). Geoff Weber and Dave Sonne together broke virtually all defensive and offensive records for Moorestown. Sonne captured a South Jersey scoring record with 28 goals. Yes, it looks like soccer will be going far at Moorestown High.

1972 was another championship year for the girls' field hockey team. After winning the Burlington County title for the third consecutive year, this exceptional team, under the expert coaching of Veronica Jones and assistant coach Barbara Esbjornson, was eliminated two games away from the state championship. Their regular season record of 71 goals scored to their opponents 11 attests to the fact that this team was truly one of Moorestown's finest—an aggressive but sportsman like group of proven excellence.

# CROSS COUNTRY

With one of the bigger squads in the school's history, the cross-country team continued its winning ways with a 9-4 dual meet record. In addition, the Quakers were 3rd in South Jersey Group III, and 5th in the State Group III Meet. A new feature this year was the running of Junior Varsity races, giving all members a chance to compete and improve their performances. Individual standouts included Bert Pschunder, who broke the 9 year old school record for the 2.5 mile Strawbridge Lake course with a 12:11.1 clocking, and Russ Martin, who improved rapidly throughout the season to give Moorestown one of the top one-two punches in the area. Both made the County and League all-star teams.

## WINTER TRACK— '72-3

This year's spirited winter track squad worked hard to keep up Moorestown's tradition as a South Jersey track power. Included in the competition were two prep school teams Lawrenceville and Peddie which helped the Quakers improve performances. Five new school records were set: In the 440 yard dash, Bill Ridgway ran 53.4; in the 880 yard run, Dave Catts ran 2:05.9; in the 1000 yard run, Russ Martin ran 2:27.4, and Bert Pshunder ran a 4:43.3 mile and a 9:52.4 two mile.

Other standouts were sophs Tracy Swain and Al Brown, Curtis Haynes in the sprints, Chris Maloney

and Bob Hartman in the hurdles, Tom Balliet, Pete Sutherland, and Bob Koons in the weight events.

This year, the Moorestown High School Swim Team compiled another outstanding record of 10 wins and no losses. Under the leadership of Coach Al Thomas and co-captains Ken Kennedy and Curt McWilliams, the team has the strength and potential this year to repeat as State Champions. Outstanding performances were turned in by seniors Jim Storey in the butterfly and Scott Daubert in diving, junior Wayne Miller in free style, sophomores Rick Catts, back stroke, and George Mayer, long distance free style, and freshman Bret Pulley, diving. Fine performances have also been achieved by Steve Porter, Joe Call, Brad Porter, and B. Kilroy. The team has worked hard and deserves a lot of credit for their truly outstanding record.

To begin with, you have to understand that when swimming down the pool, each girl thinks to herself, my mind is in control of the speed in my arms and legs. I can beat her; I will cream her. You definitely have to get psyched to win (especially in the luxurious Camden "Y").

This year the girls definitely did psych themselves to win. It was the first year for swimming cuts which was sad but necessary. Under the coaching of Mrs. Thomas, we grew together as a team.

With the help of "smiley" faces, Gertie Goose, the funny freshman, the subdued sophomore, jiving juniors (Yes, you Mary Ellen) and 5 seniors, we worked together and had a good season.

## BASKETBALL

Basketball season was a long one indeed. 'Twas not very often that we had the lead. There was one main quality never missing; Hustle and desire kept fans listening. 'Twere Owen, Rick, Gary, and Pete, Their ballhandling was really sweet. Next came centers and forwards too, Mark, Leon, Fran and "Sticks" thru and thru. Last, but not least, in forwards come more, Steve Wujik, Herb Womack, Chuck Pratt and Craig Lord. Bill Kingston was with us throughout, shunning fear, He's a great coach and just wait 'til next year.

Bill Stuessy

Gathered 'round the "Memorial Croquet Living Growing Tree Stump", the team relaxes for a moment as Bob removes his outer pants and an unposed, candid picture is snapped.

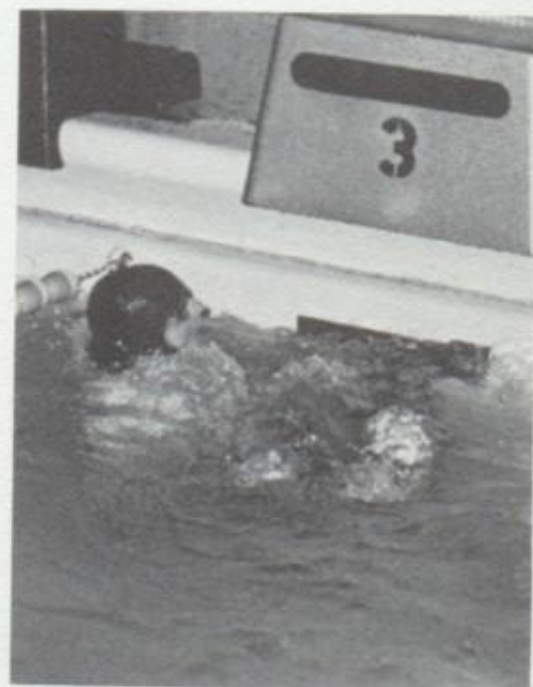

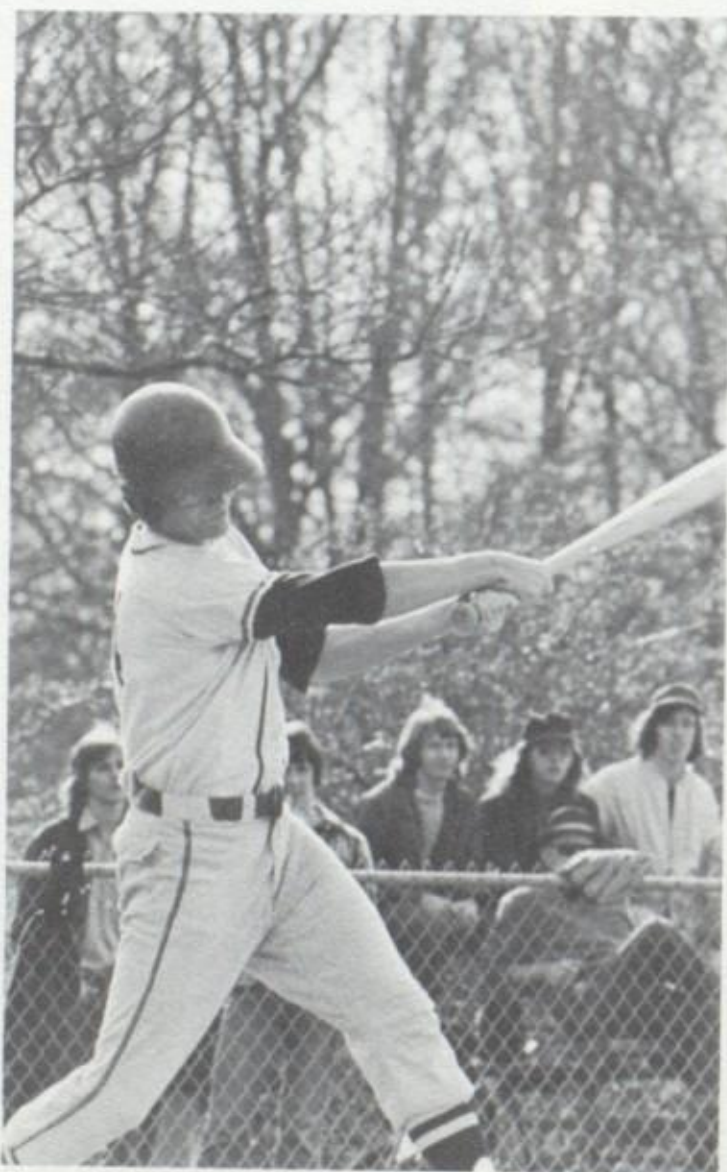

Let us spend one day as  
deliberately as Nature,

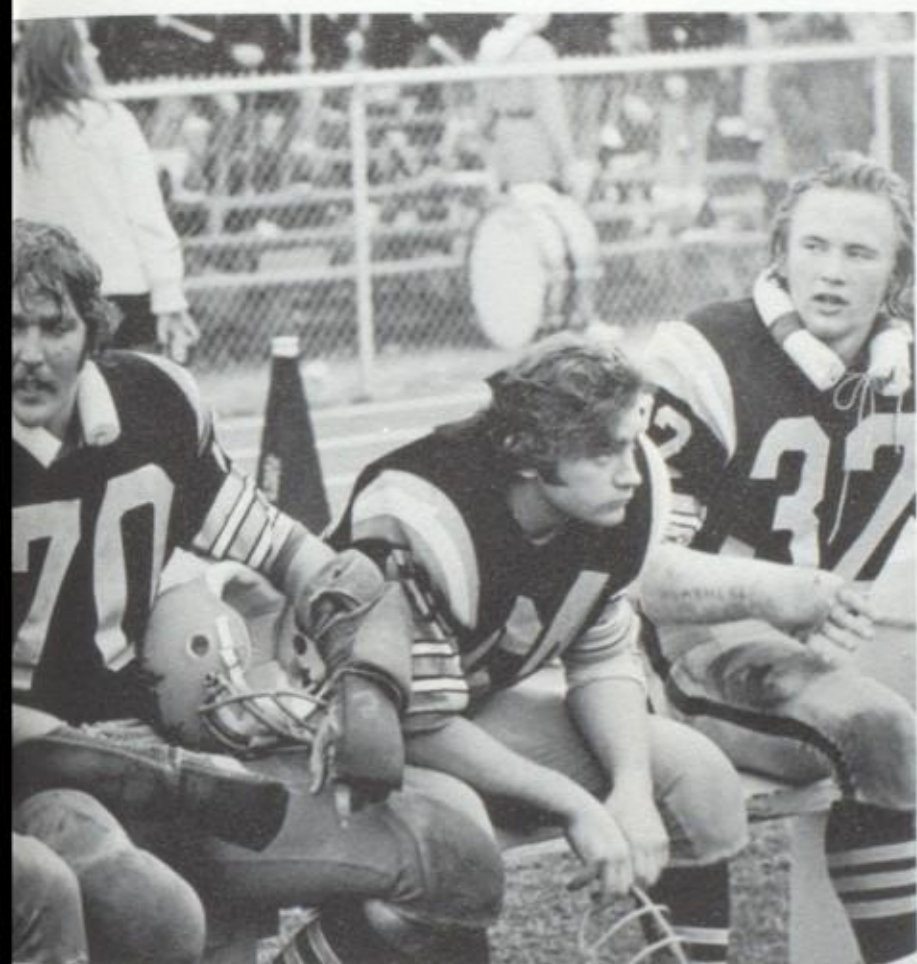

And not be thrown off the track by every nutshell  
and misquito's wing that falls on the rails.

Let us rise early and fast, or break fast gently without  
perturbation.

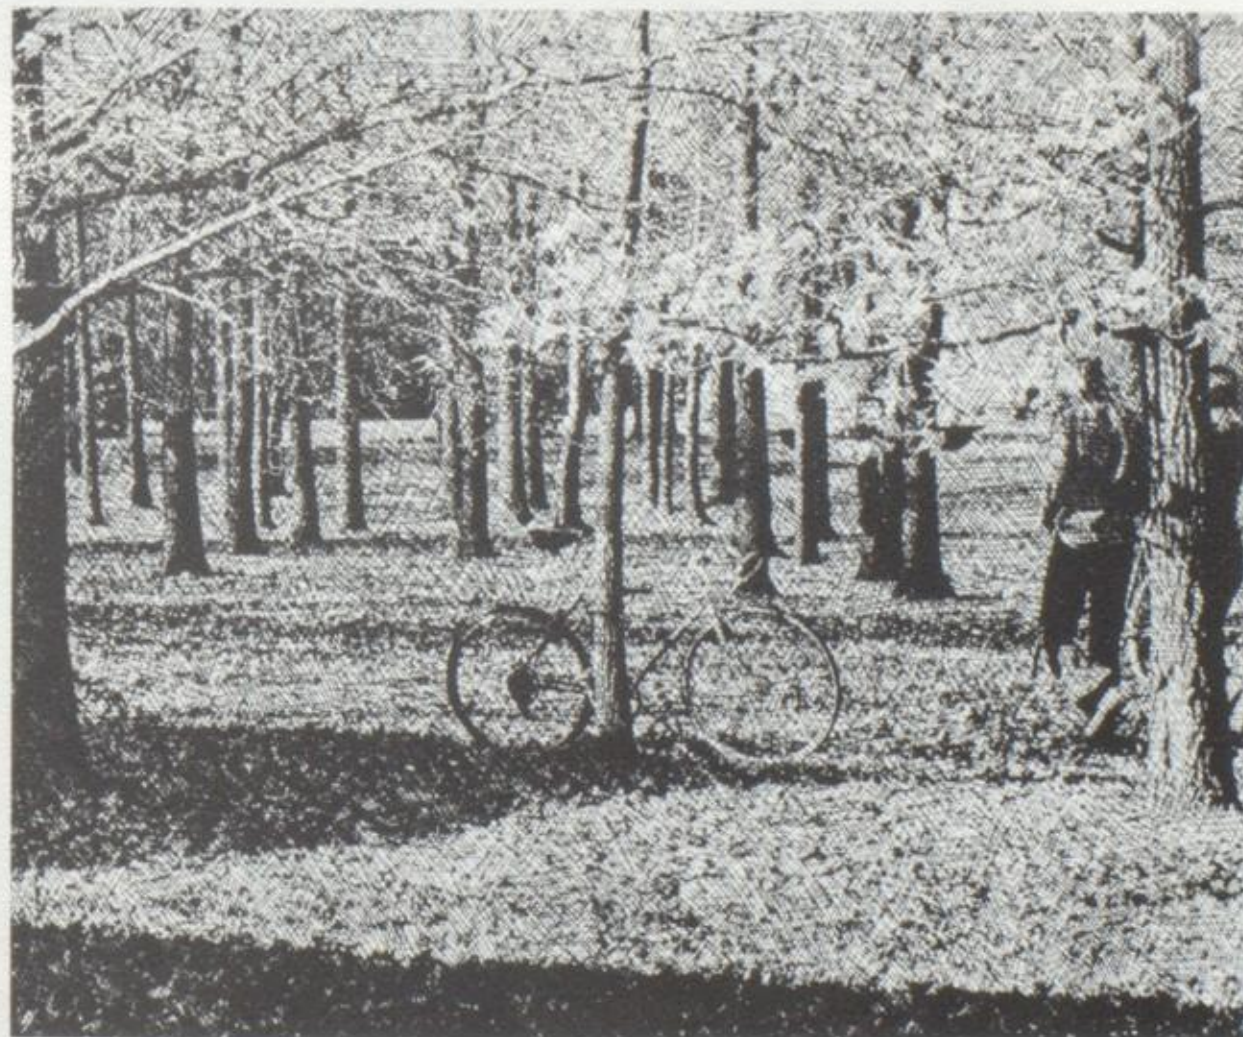

from Henry David Thoreau's *Walden*

## LIBRARY ASSISTANTS

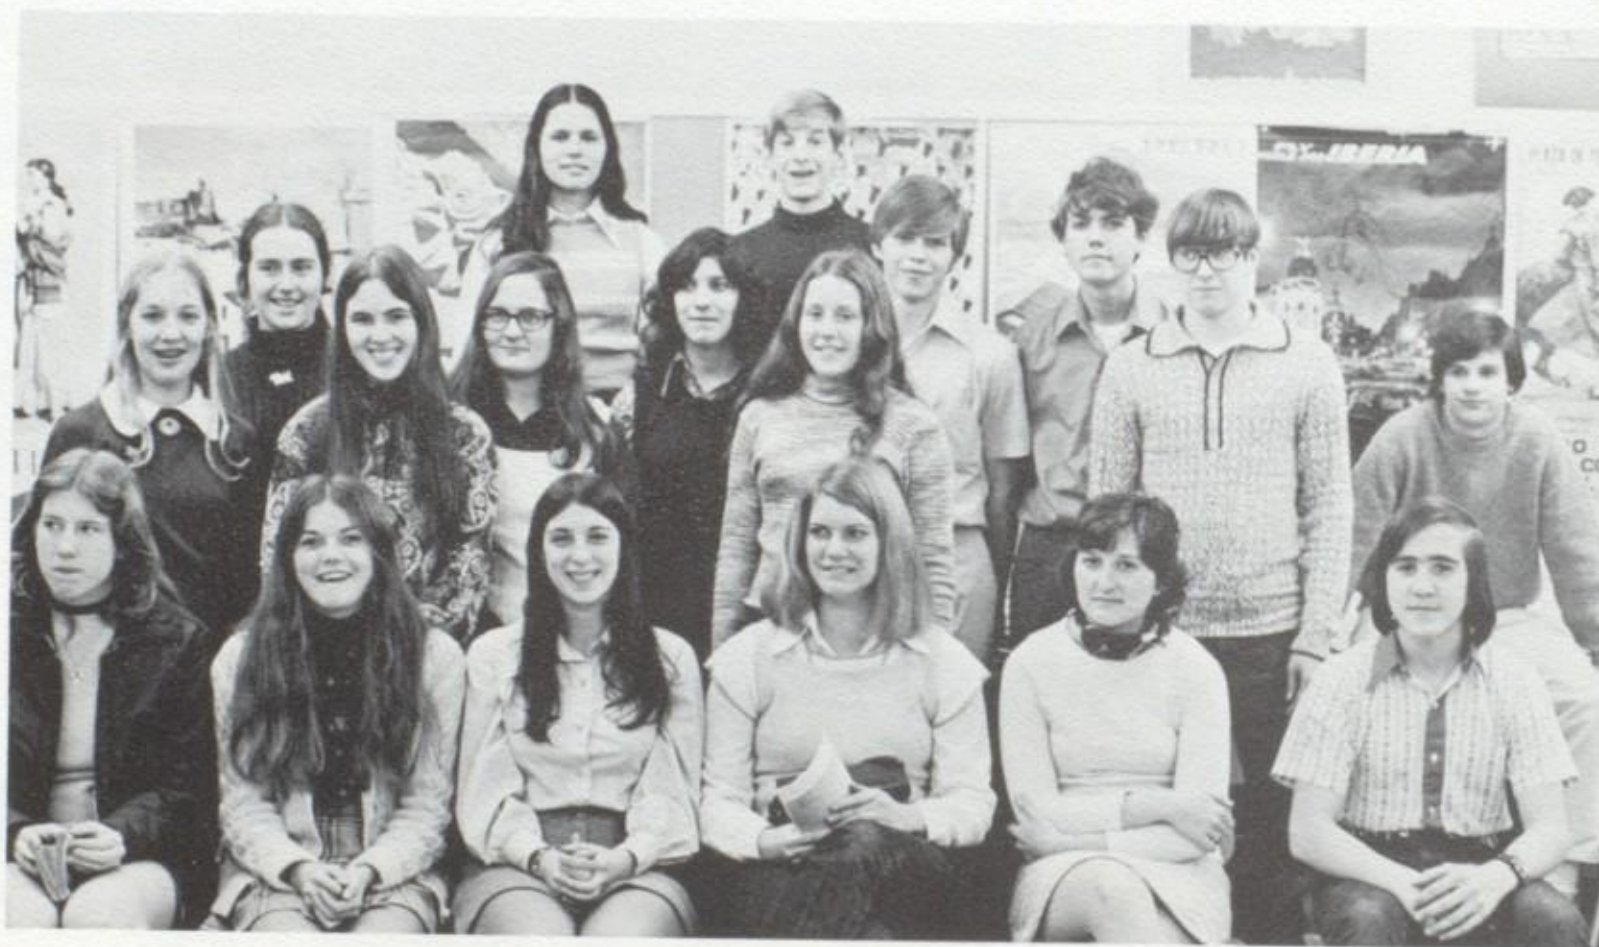

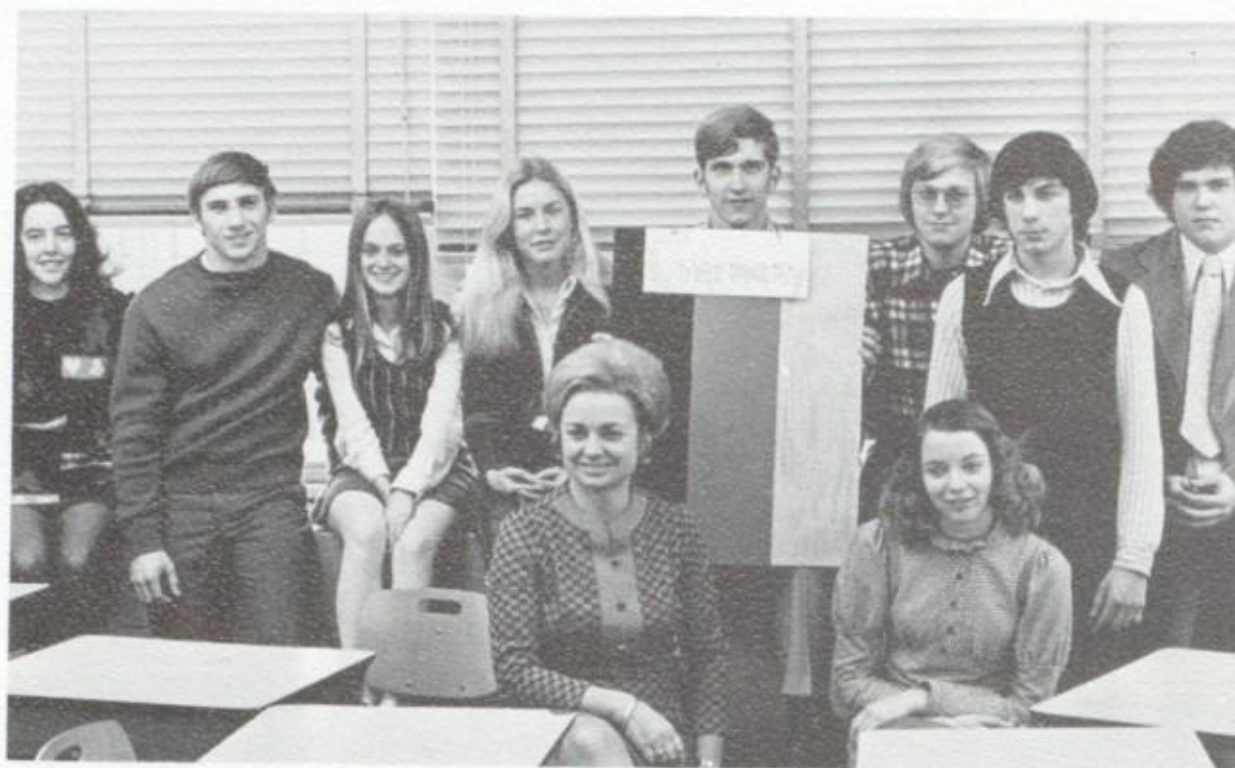

The library assistants work hard trying to keep the library's Dewey Decimal System in order, but there are only a few of them and over one thousand students, so it is not surprising that it is a losing battle.

## SPANISH CLUB

The Spanish club, a new organization this year, had a strong beginning. The objective of this club is to promote understanding of Spanish and the Spanish culture.

## LATIN CLUB

Just like the way ancient Rome under the leadership of its kings, consuls, and emperors spread out to rule over all Europe, so does the modern day MHS Latin Club now infiltrate the various classes, gaining many eager members. The excitement and thrill of these indefatigable Latians lures them. We did not complete our year without first re-building the Trojan horse, attending a few Roman dramas, dining in villas all over town, racing chariots, swimming, watching films, and ending it all with our traditional banquet fit for the gods. As we Latin seniors turn our chariots and ride off, the whole club would like to bid farewell to a great year and to thank our madister et auctor David Rhody for all he has done. Without him, many of our activities would not have been possible. Vale et ave, Caesar.

Row 1: P. Hodgen, M. McCord, G. Adams, M. McCrabb, R. Sherman, H. Vonderlieth, K. Burgess, I. Uschmann, P. Phillips, V. Armstead. Row 2: B. Ward, D. Stein, D. Gehret, T. Mayer, R. Schirmer, S. ## FRENCH CLUB

The French Club was fortunate this year to host an exchange student, Vivian Sautereau. The club's many activities included a bicycle race, the Tour de Moorestown, and field trips.

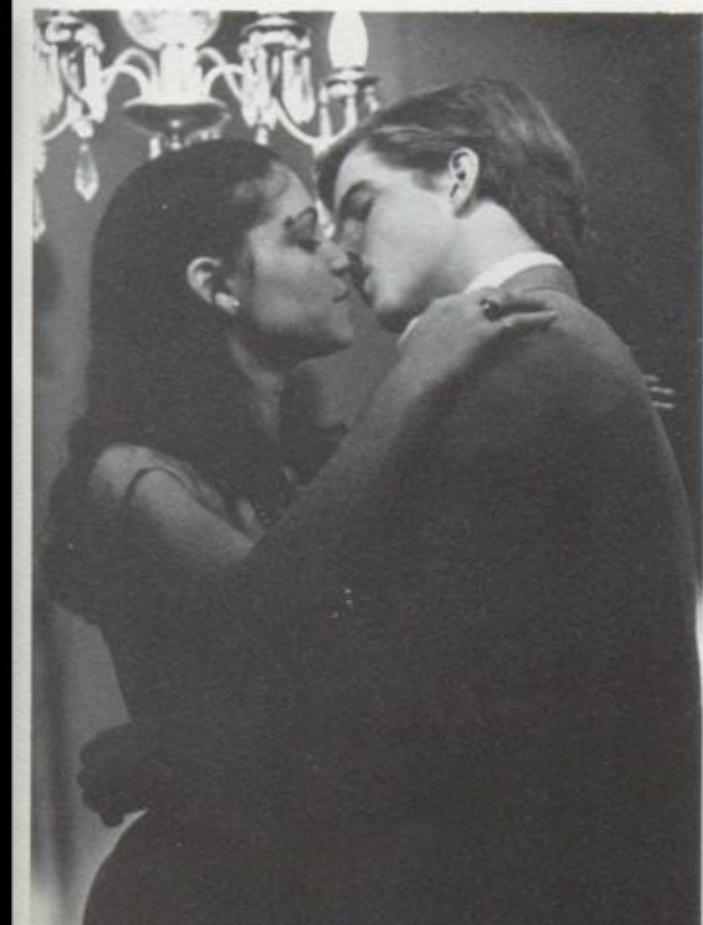

## SENIOR CLASS PLAY

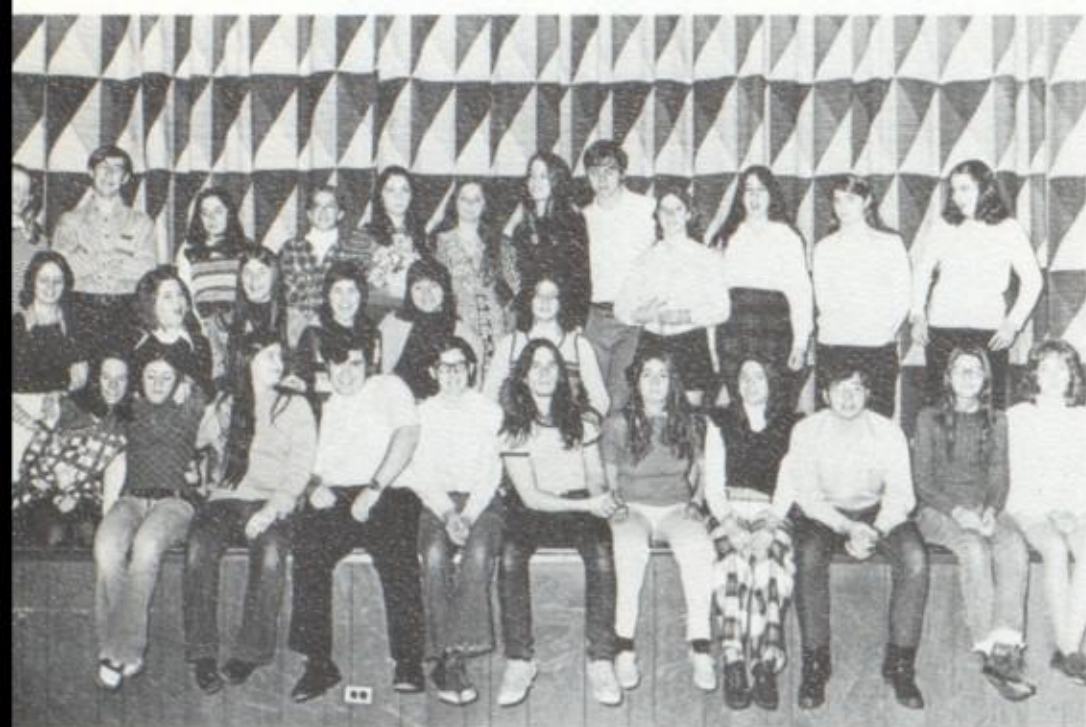

"You Can't Take It With You," by Kaufman and Hart, was this year's Senior Production. This romantic comedy, set during the depression, was outstandingly done. Everyone who attended the show agreed it was great. This was largely due to the efforts of Miss Francesca Maria Femia. The cast party was as much of a smash as the play, and as those who attended know, not even the fact that the Sanyour's dining room drapes burned up was enough to put a dent in the festive atmosphere.

Row 1: T. Williams, B. Rogers, J. Sanyour, D. Dempster, M. Gooding, S. Seligman, R. Binder, P. Robertson, A. Rosenfeld, S. Sokolao, M. Piro, P. Phillips, C. Stearns, M. Smith, S. Smith. Row 2: K. ## VOICE

With a new advisor, new printer, new logo, and loads of new ideas, your school newspaper was considerably revitalized this year. Throwing caution to the wind, the editors often had it thrown back at them. Victims of unfriendly reviews threatened to sue. Unheralded sports teams threatened to boycott. Disgruntled club members reportedly threatened to beat up the editor-in-chief. But through it all, the Voice continued to be much more than a mouthpiece.

## FRED CLUB

Nobody's Smiling!

"In the middle eighteenth century, the word Fred was used much as the word John is today." Alas, all things decompose after steadily enduring a rugged terrain for an extended period of time. The demise of the order of Fred this year is due largely to an increase in popularity. At the awards dinner, Bill cried, and the decision to fly the flag at half mast was made. Fred means never having to say anything.

## Editor's Note

Putting together a yearbook is not an easy job when an attempt is made to please everyone. This book will not be a value judgement of the four years that we have spent here at M.H.S. It is not a day to day or even year to year account of our stay at the high school. What it is hopefully, is a pleasant look at some of the aspects of our activities here at M.H.S. A tool to help us remember the good things that happened here. It is a book that you can flip through when you're sixty-four and say "Hey look Marge, that's me playing the trombone", or "That's me making a tackle in the Haddonfield game." Our class has been through a lot together—from being the first class not class not to be the big ninth graders at M.J.H.S., to being the first class of ninth grade "little kids" at the high school, to being the first senior class in six years to have a senior trip. Let's remember the good things about our four years here at M.H.S.

This yearbook was made possible by the hard work of many people. Special thanks go to the section editors of the Nutshell: Wendell Anderson—Faculty section, Carol Fix—Senior section, Jeff Sanyour—Activities section, Valerie Armstead—Sports section, Lisa Sprinkle—Underclassmen section, Rick Grossman—Business section, George Schietinger—Photography editor, Alice Clarke—Art editor, and last but not least our General things and other things editor—Bruce Rogers (who, by the way, is responsible for the cover of this book). Thanks also to the hard working yearbook staff; Robin Binder (who worked as hard as an editor), Ret Burke, Barbara Cox, Maureen Dever, Amy Krainik, Leslie McGeorge, Mike Segal, Connie Ulasewicz, Trudi Ryan, Ann Barr, Patsy & Cooky Armstead, Ray Kalustyan, Randy Humes, Denise Wescott, C.B. McWilliams, Pete Krainik, Jenney Pratt, Sarah Rogers, Lucy Sutherland, Mr. Loring, Tina Marquez, B.J. Hartman, Marianne Seywert, John Wolgamot, Donna Maerz, Mike Piro, Lori Clark, Dee Clark, Linda Minnick, Nancy Sinunu, Cheryl Norcross, Bill McChesney, Cindy Muir, Julien Eysmans, Alice Rost, Wendy Matz, Sue Pagle, Gwen Gimble, Sally Dickenson, Janet Hickey, Greg Haines, Mark Arnold, Alex Jackson, and June Leonard. Special thanks also to Mr. DaVine our representative from Paragon Publishing Co., Larry White (for writing the dedication), Mrs. Betancourt, our faculty advisor and resident speedy typist, and Mr. Boehmler, our business advisor.
